

## Free test sample offer

### Offer details

In order to make it easy for you to test our samples, ASDE Survey Sampler offers prospective clients the opportunity of receiving a free sample. This is a real sample for use in a project according to your needs. Compare our results with those from your current sample provider. We let you be the judge. We only ask for one small return: let us know the results of your comparison.

The sample - is yours to use!

Certain conditions apply:

1. The sample size must not exceed 7000 records.
2. You must never have used one of our samples before.
3. The sample we provide is for testing head to head with another supplier's sample.
4. The offer is for residential samples only.(listed or RDD)
